WEB PROGRAMMING ASSIGNMENT 1

Title: Simple Travel Blog Website using HTML

The objective of this assignment is to create a simple web page that demonstrates the usage of common HTML tags such as `<p>`, `
`, ``, `<hr>`, comments, ``, ``, `<header>`, `<footer>`, `<nav>`, `<aside>`, and `<article>`. This project helps in understanding the structure and layout of a basic HTML page and how different tags contribute to the web content.
